

## Software Features

*Eagle Eye*

### Save your Finish Line in the Drawing Library

All editing created on the screen can be saved in the Drawing Library for easy recall. This is a handy feature for saving a Finish Line.

The following instructions assume you have a Finish Line created on your screen.

1. LEFT CLICK the **DRAWING LIBRARY** icon on the left toolbar.

2. Select **SAVE DRAWING**.
3. Type in a **NAME** and Select OK.
