

Software Features

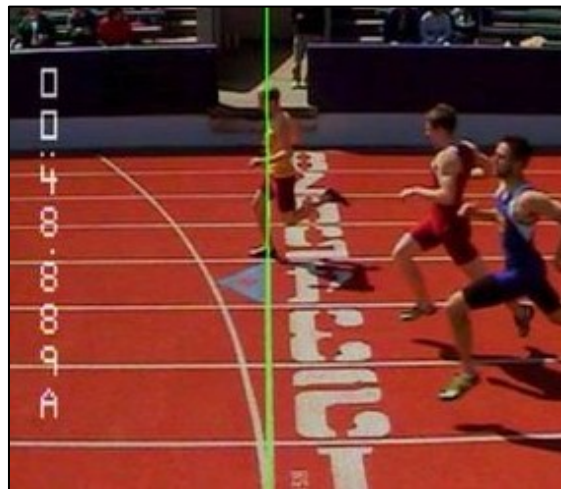

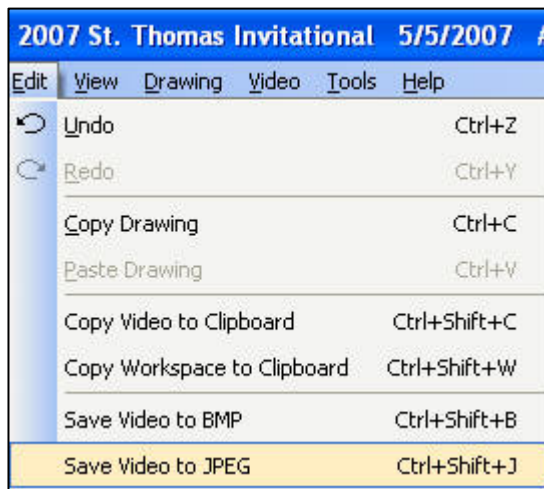

Eagle Eye

Save on screen image as a photo JPG or BMP.

This feature allows you to create a Proof of Performance (P.O.P.) document or a photo for print or web posting ---- or sell photos as a fundraiser.

1. **Position video** at the location of the image you wish to capture.
2. **Capture image**

Go to **EDIT-SAVE RACE AS** on the top toolbar and choose **JPEG** or **BMP** as your image format.

3. **Save image**

Follow the save prompts to a location that you can easily find the newly created image on your computer.
